Dear Mr. Shea:

On behalf of our patients, faculty and staff, thank you for your gift to The University of Texas MD Anderson Cancer Center. Unrestricted support such as yours is a key driving force behind the introduction of innovative therapies year after year. Your gift to the Annual Fund allows the institution's leaders the flexibility to respond rapidly to the greatest needs and the most promising research opportunities.

Over the last 70 years, generous donors such as you have helped to grow MD Anderson into the world's foremost comprehensive cancer center. Philanthropic gifts continue to provide seed money and inspiration for cutting-edge research developments in the fight against cancer.

Thank you again for supporting and believing in our mission.

Sincerely,
